

JOIN US IN MAKING A DIFFERENCE

## FREE ONLINE COURSE 'SUSTAINABILITY FROM THE START'

Discover an exceptional opportunity to shape how the next generation learns about caring for our planet.

Enroll in our free online course, 'Sustainability from the Start,' a state-of-the-art program co-funded by the EU and created specifically for Early Childhood Educators.

Developed in collaboration with Kristianstad University, OMEP Europe, and edChild, launching in September 2023.

'8 Friends' characters provide guidance

## COURSE HIGHLIGHTS

 Dive into Eight Comprehensive Modules: Explore various dimensions of sustainable development through our user-friendly modules.

 Engage and Educate Together: Immerse in engaging activities crafted for educators and Children. The course even features '8 Friends' characters, seamlessly weaving sustainability concepts into teaching methods.

 Insights from Leading Experts: Benefit from the knowledge of pioneering researchers in the field of education for sustainable development for early childhood education.

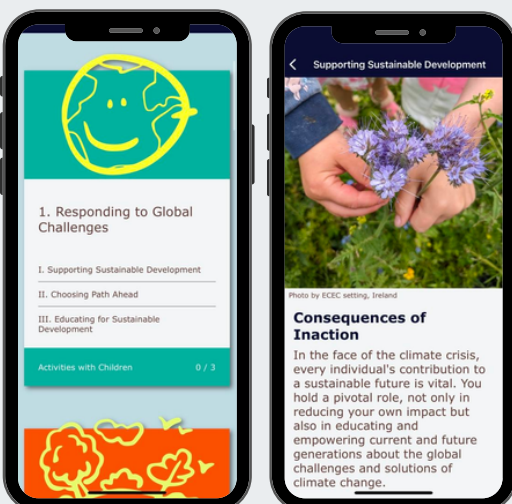

## HOW TO GET STARTED

'Sustainability from the Start' is exclusively on the **ECE Academy App** ([AppStore](#) / [Google Play](#)).

Available in multiple languages, catering to diverse global audiences and curricula.

Simply download the app, create your free account, and get started!

After completing the course, you will receive a certificate and your Children diplomas.
